

**SARDAR VALLABHBHAI PATEL INSTITUTE OF TECHNOLOGY, VASAD.**

**B. E. Semester II (All Branches)**

**Mid Semester Exam**

**Subject: Vector Calculus And Linear Algebra**

**Date:    /    /**

**Total Marks: 40**

**Subject Code: 2110015**

**Time:**

---

**Instruction: - Question No. 1 is compulsory. Attempt any four out of remaining Six questions.**

- |     |  |     |
|-----|--|-----|
| Q.1 | MCQ  | [8] |
| Q.2 | (a) Systems of Linear Equations and Matrices | [4] |
|     | (b) Systems of Linear Equations and Matrices | [4] |
| Q.3 | (a) Basis and Dimension                      | [4] |
|     | (b) Eigen values and Eigen vectors           | [4] |
| Q.4 | (a) Systems of Linear Equations and Matrices | [4] |
|     | (b) Vector Space                             | [4] |
| Q.5 | (a) Eigen values and Eigen vectors           | [4] |
|     | (b) Inner Product Spaces                     | [4] |
| Q.6 | (a) Basis and Dimension                      | [4] |
|     | (b) Inner Product Spaces                     | [4] |
| Q.7 | (a) Vector Space                             | [4] |
|     | (b) Vector Space                             | [4] |

**----- ALL THE BEST -----**
