

Instructions: This section has a scenario. Read carefully before answering the subsequent questions. There are 4 questions in this section. All questions are compulsory. Each question has 3 or 2 options. Choose **ONLY ONE** option which you consider the most appropriate option. Read carefully before answering. (Marks: 08)

As a young girl, Mary Kom got interested in the sport of boxing. Her goal was to excel in the sport. She started training and participating in boxing sessions. When her father came to know, he tried to get her to give it up as it would spoil her looks, but she convinced him otherwise. When she got married, and later gave birth to twins, there was again pressure on her to retire from within the family and outside. But she refused to give in. Women's boxing was introduced in the London Olympics, but sadly Mary Kom's weight category was not included. She had to play in the 51 kg category, for which she had to put on weight as well as work very hard. She even practiced with male boxers to get better at the game. She succeeded in winning a bronze medal in the 2012 Olympics.

- 1 What made her succeed in the Olympics?
 - A Her dedication to the sport.
 - B Her strong will to prove wrong those who doubted her.

- 25 A **Read the following scenarios and analyse John's reaction to his co-workers. Use (Marks: 04) the space below the scenarios to write what John should have done differently.**

Jay works in a cubicle between Rohan and Karan, who are best friends. Whenever Rohan or Karan wants to say something to the other, instead of getting up and going to the other person's cubicle, they raise their voice and talk back and forth from their own cubicles. One day while they were talking back and forth, Jay became frustrated because he couldn't concentrate on his work. He stood up and said, "You two need to shut up because some people are trying to work."
