Practical 18 Write a PHP program to build following pattern

0

11

222

3333

44444

```
<html>
<body>
    <h3>Kaustubh Wade(160410116050)</h3>
    <?php
        for($i=0;$i<=4;$i++)
        {
            for($j=0;$j<=$i;$j++)
            {
                print($i);
            }
            print("<br>");
        }
    ?>
</body>
</html>
```

Kaustubh Wade(160410116050)
